Farmers Fishers Bakers, a farm-inspired restaurant located in Georgetown's Washington Harbour, shares Kreider Farms' commitment to sustainability and quality.

As part of the Farmers Restaurant Group and sister restaurant to Founding Farmers, Farmers Fishers Bakers trusts the reliability and flavorful products that help make their baked goods and desserts stand out.

At Farmers Fishers Bakers, Kreider Farms dairy is a key ingredient in their buttermilk biscuits, whipped cream, rice pudding, and for all espresso and coffee drinks.

*"Kreider Farms provides quality products that yield great results in the kitchen."*

*Pasty Chef Ashley Soto especially loves Kreider Farms' heavy cream for its smooth and creamy taste. In Chef Ashley's own words, "It's my favorite product by far. I go through ten to twenty quarts in a day!"*
